Direct Livestock Marketing Systems

CCIA Tags

All cattle MUST have CCIA tags in their ear or we cannot sell them. If your cattle arrive at the market without tags, we will tag them for you. The fees for tagging are \$5 for yearlings and calves, \$10 for cows, and \$30 for bulls... plus the cost of the tag (unless you supply it). Save yourself some money and tag them at home. If you bring untagged cattle for a presort sale, there may be a delay in weighing them because we have to tag them. The delay is shrink...and shrink is money out of your pocket. Please avoid this by tagging them at home.
