Brennin's 'THE CATTLE MARKET AS I SEE IT' Commentary: Yearling Market was OFF THE CHARTS in Virden this week! The groups sorted up nice, and wow did the buyers like how the cattle were sorted, and it showed on the producer's cheques...

Some of the Highlights: 707# Red/Black Exotic Steer Calves bring \$220 \$1,555/Calf. The Shwaluk Red/Black Angus Cross Steer Calves ring the bell at 689 @ 222 A Set of Black Yearling Steers weighing 822# bring \$221, that is correct 221 WOW. The Unrah and Brennand Yearling Heifers sold incredibly well, 803 @ 187.75 and 837 @185.25 WOW. If you have Yearlings or Heavy Calves to sell, GET THEM IN THE NEXT SORT on September 29th, I know everyone has a little extra grass because of the rains, but, the market is VERY STRONG, and it's time to Capitalize!

If you put 40 pounds on and lose 15 cents a pound, you haven't gained a penny!

Give any of my team a call, WE WANT TO MARKET YOUR CATTLE, and guarantee, no one will work harder to showcase your cattle to the most powerful front row of order buyers in the land!
